

LEGAL STATEMENT

The contents of this website or any communications and publications from Electrasource Advisors, LLC ("Electrasource") are intended solely for informational purposes. Statements made by various authors and other contributors do not necessarily reflect the opinions of Electrasource and should not be construed as an endorsement by Electrasource, either expressed or implied. Electrasource is not responsible for typographic errors or other inaccuracies in the content provided. We believe the information to be accurate and reliable. However, errors may occasionally occur. In no event will Electrasource be held liable for any indirect, special, incidental or consequential damages arising out of the use of or payments based on the information contained on our website or in any publication. Electrasource makes no representations whatsoever about any other websites or publications that you may access from our site and our publications and neither endorses nor accepts any responsibility for the content or use of such content. Any comments, materials or contact/registration information provided to Electrasource, including feedback such as questions, comments, suggestions and any other click-through response shall be considered to be the establishment of an "opt-in business relationship" between the responder and Electrasource. Electrasource shall incur no obligation of any kind, with respect to such response, and Electrasource shall be free to use, reproduce or distribute the information without limitation or liability. Any ideas, concepts, know-how or techniques contained in such response can be used freely by Electrasource for any purpose whatsoever, including but not limited to developing, manufacturing and marketing products and services incorporating such ideas, concepts or techniques. Third-party companies and products referred to in any Electrasource communication are for informational purposes only. Electrasource Advisors ("Electrasource") is a publisher. Any information appearing on this website or in any other publication by Electrasource is not an endorsement or recommendation of any company or product and no representation is made, or advice given, regarding the advisability of purchasing products or services from any company. Electrasource will not be liable for any loss or damage caused by a reader's reliance on information obtained in any of our newsletters, notices, special reports, email correspondence, or on our website.
